

Table A3: Waterbody impairments removed from Category 5 due to resegmentation. Assessment information for all AUs resegmented were reevaluated and/or applied to the resulting new AUs as appropriate. The application of impairment information to new AUs may be tracked through the segmentation process with the information in Attachment 1, Table A2 (available as a spreadsheet in electronic format only).

Table A3: Waterbody impairments removed from Category 5 due to resegmentation. Assessment information for all AUs resegmented were reevaluated and/or applied to the resulting new AUs as appropriate. The application of impairment information to new AUs may be tracked through the segmentation process with the information in Attachment 1, Table A2 (available as a spreadsheet in electronic format only).
